

# The Preston Boyd Collection at the Charlotte Community Library

The Preston Boyd Genealogy File collection is an index card file cabinet full of index cards filed alphabetically by last name. These index cards contain information about early Eaton County people. The card file resides in the Michigan Room at the Charlotte Community Library.

Boyd Preston resided in Charlotte, Michigan and a hobby of his was to collect information about Eaton County people. He used the information from Census microfilm before it became routine for genealogists. Some of his information came from personal knowledge. Since none of the data is sourced, these should be used as '**Clues**' for genealogy and not facts.

Volunteers spend their time to preserve history in the beautiful Michigan Room.

The Eaton County Genealogical Society has joined with the library to scan these cards to make them available online.

The first reunion of the descendants of Amos Allen was held in Sunfield, August 23, 1913, that being the home town of Mrs. Ann Hauer. Unless we could go to Sunfield, there

Amos Allen was born in Berkshire, Mass., Feb. 6, 1890, and died at the center of Chester, April 23, 1884. He married Minerva Stanley in 1919, from which union were born eight girls and two boys. Of these Mrs. Diantha Dean and Mrs. Lydia Moyer are still living. He was a prominent character in the early life of Chester. He was a staunch Republican, of great political power, holding the office of treasurer for many years, though never an office seeker. He is best remembered for his great heart, always helping where help was needed most. He gave, besides financial aid, the Bible and bell for the M. E. church, now standing in Gresham. "He lived by the side of the road and was a friend of man."
