Type in last name (Partial or whole):	Soundex Explanation
Type in first name (Partial or whole):	Type in Soundex Code:
1 IIIU	Type in first name (Partial or whole):

These pages each look up records in the Index System database. This database is not updated frequently, and the Index System in the ECGS library always has more records than this has. For the search by name, you can put in a partial last name and/or a partial first name. It is a good idea to check for names using the least amount of characters as you can because of misspellings and just plain different spellings for names. If you want to look for a first name only, leave the last name field blank and vice-versa if you want a last name only. You can press the Enter key on your keyboard or click on the Find button to begin the search.

For the Soundex search, put the soundex code in (and first name/ partial first name if desired) and last names matching (or beginning with) the soundex code entered will be displayed.

#### Searchable Index system - By Name and By Soundex (continued)

Often, there will be enough information here to give an idea of whether this may be your ancestor or not. For example, the 'Book' (also called 'Holding') and the year range may help. If you are interested in looking at the information from the record, the information in the 'Book' column tells what the holding is and where it is located in our library. And in most cases, the information in the 'Page' column tells which page or pages the name appears on. When coming to our physical ECGS library or sending a request, this information is very much appreciated in your request. In some cases, we have the scanned images available on the website and this will be indicated in the 'Images' column. You cannot get to the images from this screen. However, this tells you that you can go to the 'Images With Indexes' from the Member Section Home page. Once you access that page, click on the 'book' you are looking for and display the index. Look for the name in the Index and click the image link from there.

## Indexes with Images Available

Indexes with Images Available (Indexes include: Grand Ledge Library cards, Scanned Probate Packets (index only), Some 2011 Eaton County Obits, Eaton Rapids Obits 1992-1995, Charlotte 1939 Home Surveys, Eaton County Teachers 1905, Vermontville Original Colony Signers, Benton School Pupils & Teachers 1864-1927, Oneida School Census records 1879-1908 and Charlotte School Census records 1920s-1960s.)

These are individual Index Files where most have images linked for the names within the Index file. Most of these files are a list of the names for the file, with a link to the image with the name. Click on the link to see the image.

(Indexes include: Grand Ledge Library cards, Scanned Probate Packets (index only), Some 2011 Eaton County Obits, Eaton Rapids Obits 1992-1995, Charlotte 1939 Home Surveys, Eaton County Teachers 1905, Vermontville Original Colony Signers, Benton School Pupils & Teachers 1864-1927, Oneida School Census records 1879-1906 and Charlotte School Census records 1920s-1960s.)

Some of these files can be very large and may take a while to load on your computer screen. The Grand Ledge Index Cards is very large, so one option is to download sections of it by looking at the alphabetic (of last name) groups.

This is an example of a file with the images included within it.

The "Mug Book" was created to have a document that shows not only members ancestor's surnames and places where they came from, but also their interests, other organizations and talents/experience. Examples of other organizations: Daughters of the American Revolution, Sons of the Union Veterans of the Civil War, American Legion, Ingham County Genealogical Society, Courthouse Square Association, VFS Lady Auxiliary. Examples of talents/experience: Microsoft Office, Ancestry, Civil War Veterans, Family Tree Maker, Family Search, Seeking Michigan, Microsoft Access, Database Design, Find A Grave, History Lectures, Library of Michigan, Newspapers.com, Deeds, Photograph dating, Transcribing old handwriting, genealogy librarian. There are not many people who have "joined" this list and there is already a wide variety of talents between us. It would be great to expand on this!
