

Eaton County Genealogical Society Vietnam Era Project

This is a list of the names we have identified as possible Vietnam Era Veterans connected to Eaton County from a source such as a newspaper article, obituary, etc. In some cases, the article includes young men from Lansing being sent from Eaton County to be processed for duty and these boys could be from Delta Township. In the 'Form?' column, if there is a 'yes' in it, that means we have received a form. The form could have been from the veteran, if the veteran is still living. Or, if the veteran is deceased, the form was filled out by a friend or loved one.

This list is as of May 28, 2019.
