Says . . .*

The mayor of New York called in a hundred prominent citizens to discuss 'graft' with him. A

man naturally wouldn't call in 100 poor men to discuss graft, as they would have no technical knowledge of the subject.

"These 100 met and adjourned without adopting any resolution to either halt or increase it. It seemed everybody was satisfied as it is." September 14, 1930.

Prof. O. Hosford, for eight years Superintendent of Public Instruction in this State, has general supervision of the Normal Department, and in lectures upon the Theory and Practice of Teaching, will give the pupils the benefit of his extended experience and wisdom. He will also lecture upon School Organization and Government, and upon the School Systems of different countries.

Other members of the Faculty will give occasional lectures on subjects belonging to their departments.

The English Course of two years, above defined, is designed to prepare teachers for the Common Schools, and those who thoroughly complete the course will receive a Normal Certificate of recommendation for this grade of schools.

Candidates for admission to this course will be examined in Orthography, Geography, Grammar to Syntax, and Arithmetic to Percentage.

All students in this Department are required to attend weekly exercises in the Bible, Composition, Declamation, and Discussion.

Those teachers who wish a more extended course of study in Natural Science, Classics, or Modern Languages, can pursue a prescribed course under the direction of Prof. Hosford, by joining classes in the College Department, and on its completion will receive a Normal Diploma.

LIBRARY AND READING ROOM.

The College Library contains six thousand volumes of well selected books. In connection with it is a reading room, well supplied with journals of news, politics, science, literature and art. For access to both no additional charge is made. Each student is entitled to take books from the Library, and to retain them two weeks.

The Library and Reading Room are daily open to all students.

LITERARY SOCIETIES.

The students sustain three prosperous Literary Societies: the Soronian for young ladies, and the Phi Alpha Pi and Adelpic for young gentlemen. All have libraries and special assembly rooms.

These Societies unite in inviting some gentleman from abroad to deliver an annual address before them in connection with the College Commencement.

RELIGIOUS CULTURE.

All students are required to attend weekly exercises for the study of the Bible. These exercises generally accompany the Sunday School at the College Church.

George W. Ervay

1845 - 1863

CIVIL WAR LETTERS

Transcribed from Originals now in possession of
Betty Moon Melson

It is with many thanks for the combined contribution of Robert Haigh & Ophalia Parish that a copy of these letters have been given to the Eaton County Genealogical Society, with permission to print them here in the "Quest".

INTRODUCTION

George W. Ervay was born in New York State in 1845. In 1860 he lived in Onieda Township, Eaton County, Michigan with his parents, Daniel and Eliza Ervay. The 1860 Census lists George's age as 15. While George was in the service, his family moved to Chester Township near Liza's parents, Daniel and Dorothy Shaver Wise. Daniel Ervay died at Chester in 1883. In 1907, Eliza died in Marshall, Michigan. George's younger brother, Orrin was the father of my maternal grandmother, Florence Ervay Root.

Although little more than 16 when he joined the army in 1861, George was quite able to express himself in writing, whether he was describing his surroundings, narrating an experience or stating his opinions. By his choice of words one can often determine his emotional state which runs the gamut from love to hate, from elation to despair and from bravado to fear.

He used almost no punctuation and few capital letters in his writing, instead he generally penned his messages in steady strings of words. I have therefore used my best judgment in adding extra spaces to break the text into sentences for easier reading. Otherwise the text was typed as written with the limitations of my word processor.

Betty Melson lent me the letters in Michigan so that Florence Lembeck and I could have them photocopied. Because the photocopies were painfully hard to read and comprehend it was decided to transcribe them while the originals were still in my possession. I hope you find them interesting.

Second cousin Betty Moon Melson and first cousin Florence Spear Lembeck are great grandchildren of Orrin L. Ervay. Our group numbers more than seventy people of whom I have knowledge.

CHARLOTTE GRANGE — NO. 67

Charlotte Grange No. 67, located in Charlotte, was organized September 15, 1873, with the following members: Mr. and Mrs. James Murray, Mr. and Mrs. Wm. Dawson, Mr. and Mrs. Wm. Quantrell, Mr. and Mrs. A. C. Ells, Mr. and Mrs. Wm. Love, Mr. and Mrs. David Long, Mr. and Mrs. Sam Fisher, Mr. and Mrs. J. V. Johnson, Mr. and Mrs. Richard Allen, Chester Smith, L. H. Dunton, M. H. Bacon and J. G. Searles.

After the organization was perfected the Grange continued to grow; while its first great aim was to develop a higher manhood and womanhood yet they believed the producer of a commodity and the purchaser of it should together, have more voice in fixing its price, than he who simply carries it from one to the other, so the Lecture hour began early to be more than entertainment, it was study, reading, discussions on such topics as rotation of crops, the Leguminous Plants, Insects, Horticulture Live Stock and Dairying and Household Management, Practical Agriculture by James, was one study book used

Debates were popular.

For the social part, a society within the Grange was formed and many happy memories can be recalled of Oyster Suppers, Chicken Pie Dinners, Harvest Festivals, Fairs, exchange of visits with nearby Granges and adjoining counties. It was a great event when the organ was purchased from the funds made from the chicken dinners with a charge of first five then later ten per person.

A strong Fraternity existed. A number of times sickness, fire and cyclone came in the homes and groups would go take care of a crop or clean up the debris as occasion demanded.

Charlotte Grange devoted much time to ritualism and believed firmly that its teachings should elevate and refine. Many times degree teams have gone to other Granges to exemplify the work and several times at State Grange; the Juvenile degree was also given at State Grange. In a community way many projects have been carried on one outstanding event was a play put on at the Opera House from which a large sum was realized and given for relief work during the war. An Extension Course of Domestic Economics was held with 230 ladies in attendance, 80 schoolgirls. This was the first one held away from the College. The first boys and girls Club work in Eaton County was organized in Charlotte Grange Hall by Mrs. Fred Curtiss, they were Mother and Daughter Canning club, Sewing club and Corn club.

The hall was also used for sewing for the Red Cross during the war and the Woman's Work Committee now the Home Economics Committee carried on in all lines of work. The membership was 360 and each year one meeting was given especially for the young peoples entertainment; both banquet and program were of worth.

For a number of years the Grange had charge of the dancing Hall at the Fair the proceeds to get toward a building fund.

It celebrated its fifty anniversary and went forward to greater usefulness. The record for length of membership goes to Bernice Murray Curtiss who took in first degree March 24, 1886, and has been an active member since.

Its present membership is 98. Eleven are Silver Star members.

Its officers for 1935 are: Master, Charles Creits; Overseer, Leo. Flanders; Lecturer, Belle Creits; Steward, George Dawson; Ass't. Steward,

Luther Woodell; Treasurer, Bert Young; Secretary, Eunice Dawson; Gate Keeper, Wm. Huber; Ceres, Ruth Sloan; Pomona, Irene Flanders; Flora, Martha Sloan; Ladies Ass't. Steward, Mrs. Luther Woodell.

They were installed by Paul Vahs at its last October meeting.

Its 1935 Committees are: Executive Com., F. O. Johnson, H. V. Peter, Wilbur Martin; Finance Com., W. L. Huber, Ruth Sloan, Luther Woodell; Legislative Com., F. C. Curtiss, W. L. Huber, W. Martin, W. H. Cooley; Home Economics Com., Bernice Curtiss, Mildred Bolock, Dora Stockwell; Charity Com., Mamie Young, Effie Cooley, Myra Bell.

All Committees will work on plans suggested by National and State Granges adapting to local conditions as needs arise. The Grange has had a large part in moulding legislation directly affecting agriculture. It has always stood for education. In 1917 the Grange was the only lobby for present Smith-Hughes State and Federal and for Rural schools; In 1878 it began urging our Michigan State College to put in a Woman's division to teach home-making. The Grange led the movement for rural free delivery of mail and worked steadily for this measure until the system was finally established on a small scale by Congress in 1896. Parcel Post was advocated and fought for by the Grange. Temperance has always been fostered and the Grange has consistently favored arbitration as a means of settling international disputes.

The Home Economics Committee continues in 1935 their program of improvement of Farms and Farm Homes, the improvement of Grange property and Halls and the improvement of Rural Community life. A Baking Contest in cooperation with the Michigan Farmers will be sponsored, and a Flower Show held in the fall.

The Juvenile Grange is encouraged and fostered. It trains leadership, interests the young in rural affairs, teaches business methods, helps the child, benefits the community and strengthens the grange.

Miss Carpenter and her brother Dudley Carpentred who lived near Dimondale and who were Grange workers and organizers visited their friends Mr. and Mrs. George Kettle in Delta and thought the place a fertile field for a Grange.

They with Mr. Jason Woodman called a meeting of the farmers and with some difficulty organized our Grange in Feb. 1895 with Ezra Nichols as first master, he held the office several years. For ten years they met in a hall over the store.

Then our Grange hall was built. Socially the Grange hall is the center of amusement and good times for the farmer and his family. From time to time improvements have been made until now we have a hall worthy of the fine gatherings we have.

OUR "THEME SONG"

There are many trails awinding
 To the Grange home of our dreams,
In the little town of Delta,
 By the old mill stream.
There are long, long days of waiting
 In the Masters fields to roam,
'Till the time when we'll be
 Going down that trail to home sweet home.

1845 *Letter from the Editor*

Dear Members,

We continue to hear from some of you, and your opinions help shape the "Quest".

We are selling raffle tickets for a handmade quilt. Tickets are \$1.00. If you live outside of the State or County you may not know anyone to sell tickets to, BUT you surely would want to buy some yourself if you could see this beautiful quilt.

The quilt was handcrafted by Mary Jean Baker, who is one of our members, and is truly a "County" quilt as each of the sixteen townships are represented. Mary Jean selected a photograph of a landmark or scene and then had the sixteen photographs reproduced on muslin and incorporated onto the quilt. Photographs just do not do justice to this quilt.

If you do live in the State or the County we would appreciate your selling a book or two of tickets. There are 10 tickets to a book. Tickets can be purchased from Society Members, or the research room Monday through Friday 10:00 a.m. until 2:00 p.m. and on Monday nights from 6:30 to 9:00 p.m.

The winning ticket will be drawn on Saturday, September 21, 1996 which is the final day of the Michigan Genealogical Council Seminar in Lansing. The winner need not be present to win.

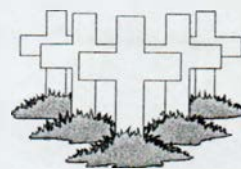

You could be the lucky winner of a bit of your family history on a beautiful quilt, which is truly one of a kind.

Sincerely,

Barbara

At age 18, he started his career as a country school teacher, five years later changing to farming, which he continued for the next twenty years. During this period, in the year 1881 he married Mary Alice Kay, and to them were born three children, Ethel, Marie and Don, all now living in Charlotte.

In 1910 he was elected County Drain Commissioner, and continued in this capacity for two terms. Upon leaving the office of drain commissioner, he became engaged in the dredge contracting business for the next fifteen years.

In 1911, he helped organize the Michigan Mutual Hall Insurance Company (the first organization of its kind in the middle west) and became its first president, remaining in that office until his death.

In 1914 he helped organize the Michigan Mutual Livestock Insurance Company, also the first company of its kind in Michigan. He was elected its first vice president. In addition to this, he has managed his dairy farm, located south-west of Charlotte for the past six years. A long time acquaintance paid his memory this compliment:

"He loved his home and family and nothing pleased him more than to have them all spend the day together with him. His many friends have shown their loyalty and affection through his long, tedious suffering, and his keen mind welcomed them to the very last. He will be missed not only in his home but by his business associates and many friends."
